

§ 943.122

of any of the following program categories:

(1) The PHA's public housing program (which may include either the operating fund or the capital fund, or both);

(2) The PHA's Section 8 voucher and certificate program (including the project-based certificate and voucher programs and special housing types);

(3) The PHA's Section 8 Moderate Rehabilitation program, including Single Room Occupancy program;

(4) All other project-based Section 8 programs administered by the PHA under an ACC with HUD; and

(5) Any grant programs of the PHA in connection with its Section 8 or public housing programs, such as the Drug Elimination program or the Resident Opportunities and Self-Sufficiency program, to the extent not inconsistent with the terms of the governing documents for the grant program's funding source.

(b) If a PHA elects to enter a consortium with respect to a category specified in paragraph (a) of this section, the consortium must cover the PHA's whole program under the ACC with HUD for that category, including all dwelling units and all funding for that program under the ACC with HUD.

§ 943.122 How is a consortium organized?

(a) PHAs that elect to form a consortium enter into a consortium agreement among the participating PHAs, specifying a lead agency (see § 943.124), and submit a joint PHA Plan (§ 943.118). HUD enters into any necessary payment agreements with the lead agency and the other participating PHAs (see § 943.126) to provide that HUD funding to the participating PHAs for program categories covered by the consortium will be paid to the lead agency.

(b) The lead agency must not be a PHA that is designated as a "troubled PHA" by HUD, that has been determined by HUD to fail the civil rights compliance threshold for new funding, or that has a PHAS designation withheld for civil rights or other reasons. The lead agency is designated to receive HUD program payments on behalf of participating PHAs, to administer HUD requirements for adminis-

tration of the funds, and to apply the funds in accordance with the consortium agreement and HUD regulations and requirements.

§ 943.124 What elements must a consortium agreement contain?

(a) The consortium agreement among the participating PHAs governs the formation and operation of the consortium. The consortium agreement must be consistent with any payment agreements between the participating PHAs and HUD and must specify the following:

(1) The names of the participating PHAs and the program categories each PHA is including under the consortium agreement;

(2) The name of the lead agency;

(3) The functions to be performed by the lead agency and the other participating PHAs during the term of the consortium;

(4) The allocation of funds among participating PHAs and responsibility for administration of funds paid to the consortium; and

(5) The period of existence of the consortium and the terms under which a PHA may join or withdraw from the consortium before the end of that period. To provide for orderly transition, addition or withdrawal of a PHA and termination of the consortium must take effect on the anniversary of the consortium's fiscal year.

(b) The agreement must acknowledge that the participating PHAs are subject to the joint PHA Plan submitted by the lead agency.

(c) The agreement must be signed by an authorized representative of each participating PHA.

§ 943.126 What is the relationship between HUD and a consortium?

HUD has a direct relationship with the consortium through the PHA Plan process and through one or more payment agreements, executed in a form prescribed by HUD, under which HUD and the participating PHAs agree that program funds will be paid to the lead agency on behalf of the participating PHAs. Such funds must be used in accordance with the consortium agreement, the joint PHA Plan and HUD regulations and requirements.
